PERFORMANCE OVERVIEW

Dax Henri delivers versatile, high-impact live performances tailored to any event atmosphere. He offers a range of set lengths designed to keep audiences fully engaged from start to finish.

High-Energy Short Set (10–15 minutes)

A powerful burst of energy perfect for openings, special moments, or events that need an instant hype boost. This set is designed to captivate quickly with high-impact vocals and dynamic stage presence.

Example Short Setlist: - Faded - Turn Me Up - Ghost Town - Hold On - Truth - The Freedom Of Loneliness

Dynamic Full Set (45–60 minutes)

A longer, highly engaging performance that blends energy, emotion, and audience interaction. This set showcases Dax Henri's versatility as an artist—keeping the crowd entertained through dynamic pacing, strong musical storytelling, and a carefully crafted flow.

Example Long Setlist: - Faded - Turn Me Up - Ghost Town - What's On Your Mind - Dance - Dax Henri - What's Good - LAX - Hold On - Truth - The Freedom Of Loneliness

No matter the length, every performance is built to create a memorable experience and keep the audience engaged throughout.
